United Against Bullying – Acts of Kindness

Dear Parents,

In standing together to say no to bullying, we have given our children a Kindness Challenge. Please let us know if you notice your children being especially kind at home so that we can acknowledge this within school as part of our challenge.

Simply contact your class teacher via email to teachers@nightingale.hants.sch.uk

As well, a reminder that on **Friday 11th June**, we will culminate our Anti Bullying activities with an Odd Uniform Day, replacing one item of our usual uniform with something that will stand out to show that we are not afraid to be noticed for who we are. We will all stand together *United Against Bullying*.

Kind regards,

Mrs Hannah Beckett
Headteacher
