## Arrangements after Half Term

Dear Parents,

As we come to the end of our first half term of 2021, we would like to congratulate everyone on how well they have adjusted both in school and with their remote learning.

We would like to confirm that all arrangements after half term will remain the same; start and finish times, locations for drop off and collection, early closing on Friday afternoons and our remote education offer.

You do not need to rebook your child's in school provision, however, please let us know if your child no longer needs their place or your circumstances have changed. The guidance remains the same - if you can safely keep your child at home, then please do so, even if one parent is a critical worker.

We will keep you informed of any updates received from the Government with regards to the school fully reopening.

We hope you have a wonderful but safe Half Term holiday and look forward to welcoming your children back to school from Monday 22<sup>nd</sup> February 2021, whether it be in our live lessons or in school.

Yours sincerely and with best wishes,

Mrs Hannah Beckett
