Classes for Next Academic Year

Dear Parents,

In the past, Nightingale Primary School has always adapted itself to the changing needs of the community it serves; by increasing pupil numbers in certain year groups whilst allowing for flexibility should there be a new family moving into the area.

This year, like so many of you, we have been mindful that our families are starting to look forward and think about next the academic year. We have therefore started to look at classes for September 2021. As you are aware, we took the decision, this academic year, not to undergo the traditional 'mixing' of identified classes. However, we have decided for next academic year that all classes from Year 1 to Year 5 will be mixed.

In organising the classes many factors will be considered such as gender split, numbers in classes, specific SEND needs, mixed abilities and peer group preferences. We will let you know in early July of your child's new class.

Yours sincerely,

Mrs Hannah Beckett
Headteacher
