Parent Survey 2022

Dear Parents,

It has been a privilege to lead this school for what has been two years now. How time flies!

I am delighted with our recent successes: returning to a memorable curriculum which meets the needs of all; planning an extensive redevelopment of our school building with works starting in October; working closely with families to raise expectations of behaviour and the ongoing working raising standards in every aspect of school life.

It has been one step at a time and sometimes two steps at once! Above all, it has been so exciting to get to know more about the children and families at Nightingale Primary and working in this remarkable community.

As part of our ongoing evaluation, please could you follow the link below and help us be the best we can be by completing this online survey. This evaluation process will ensure that we continue to develop our practices as a school in order to achieve the very best for our children academically, emotionally and socially. I value your input in this.

The form can be accessed by clicking [here](#).

Yours sincerely,

Mrs Hannah Beckett
Headteacher
