Urgent Parents Evening Reminder

Dear Parents,

This is an urgent reminder that it is extremely important that you book an appointment for parents evening. This is one of the few opportunities for you to engage directly, without interruption, with your child's class teacher.

Our booking shows that only 54% of parents have booked meaning that 190 of our children's parents still don't have an appointment with their child's teacher to discuss their learning and progress. **Worrying still, is that only 20% of our parents with children who are in receipt of Pupil Premium funding attended our Spring Term Parents Evening.**

It is a well-known fact that engagement with your child's learning is crucial to their success at school so we urge you to make an appointment as soon as you are able.

To book your appointment, please visit <https://nightingale.schoolcloud.co.uk>. When accessing the site, please login with your child's first name and surname, ensuring you use your child's full legal name as completed on your school registration form. A short guide on how to attend appointments can be found [here](#).

Yours sincerely

Mrs Hannah Beckett
