Remote Learning Journals

Dear Parent / Guardian

We are nearing closer to the 8th March when we welcome back all of our wonderful children to NPS which we are very much looking forward to – only 6 more sleeps to go!

When children come back to school on Monday 8th March, we ask that they bring with them their Remote Learning Journal that was provided at the start of lockdown 3.0, and where all of their remote learning should have been recorded throughout this most recent period of remote education. This will not only allow for teachers to look back on all of the fantastic learning that has been going on at home, but it will also act as evidence to go towards any moderation and assessment that the school embark on over the coming months. Although our assessment process will look slightly different this year, teachers will still need to gather a wide range of evidence from all work produced, whether completed in-school or at home, in order to assess the child and continue supporting them in their learning throughout the duration of this academic year.

I would like to take this opportunity, on behalf of everyone here at Nightingale Primary School, to thank you for all of the support you have given us and your children during these uncertain and challenging times. We can't wait to see everyone back in school on Monday!

Yours sincerely,

Mrs Trumble
Deputy Headteacher
