## School Update

Dear Parents,

Although school has reopened for all and the easing of lockdown restrictions is in sight, it is important that we do not become complacent at this time and drop our guard, so risking all of the good work we have achieved so far in keeping everyone safe.

We would ask that parents continue to follow the requirements set out in our [risk assessment](#) and in [previous communications](#) and within the government guidance, particularly in relation to social distancing and mask wearing. These are not suggestions but are requirements to ensure we keep our community as safe as possible.

If you are not able to adhere to these requirements we ask that you do not come onto our school site and instead drop your children at the gate for them to make their own way into school.

Please do take the time to read through the main points which you can find below. School staff work so hard from day to day to keep your children safe in school and it can be difficult to see guidance and our safety measures ignored.

- The wearing of face masks and social distancing on school site must be strictly adhered to.
- Only **one** adult family member to come on site to drop off and pick up. Any additional adults and teenagers will be asked to leave the school site.

Respect is one of our most important school values and we ask that you respect one another and the school community as a whole by following these steps and encouraging others to do so. Through doing so we will be able to better protect each other and so prevent further infection which may result in more bubbles having to close, as they did earlier this week.

Thank you for your continued support in this matter.

Warm wishes

Mrs Hannah Beckett
