## Walk to School Week 4 - 8 October 2021

Dear Parents,

We are really pleased to announce that we will be supporting Hampshire County Council's Walk to school week which is being held from 4 - 8 October 2021. This week is to encourage children to walk to school and make healthy life choices. During this event, we will be holding a competition, where the class with the most walkers, over the week will win a prize!

Walking to school will help improve your child's road safety skills and fitness, reduce congestion at the school gates and make the environment more pleasant by reducing pollution.

We hope you can support our campaign by walking all or part of your journey to school. We are not suggesting that you send your child to school unaccompanied, in fact this could be a good opportunity to walk with your child and enjoy some quality time together. It is also a good time for your child to develop road safety skills and greater health awareness.

We do hope you will all take part in Walk to School Week and help make our local area a safer and more pleasant place to live.

Kind Regards

Mrs Brown  
Walk to School Week Coordinator
