## Welcome Back

Dear Parents,

Now into our first full week back, I just wanted to say what a pleasure it was to be on the playground this morning greeting so many children. Their positivity and smiles are energising!

I also wanted to confirm that the arrangements sent in August regarding our risk assessment remain in place with no changes. A copy of this letter can be found [here](#).

### For information purposes:

What to do if someone in your household has a confirmed case of COVID-19:

- Your child is not required to self-isolate as they are under 18 years and 6 months
- Adults who are fully vaccinated are also not required to self-isolate
- It is recommended for members living in a household with a confirmed case of COVID-19 to get a PCR test. Information taken from: Stay at home: [Stay at home: guidance for households with possible or confirmed coronavirus \(COVID-19\) infection - GOV.UK \(www.gov.uk\)](#).

### Polite message:

Please avoid congregating around our Adventure Playground before and after school while dropping off and collecting your children from the playground. Children have been reminded that they are not to play or climb on any of our equipment before and after school; there's always lots of opportunity for them to do this during school hours.

### Gate opening / closing times

The school gates on Jackdaw Rise and by the Children's entrance (by our swimming pool) will be opened by the site team at 8:30am and will be locked promptly at 8:50am. The visitor gate by the Aviary Centre will remain open throughout the day. The school gates will reopen at 3:10pm.

Warm wishes,

Mrs Hannah Beckett  
Headteacher
