Winchester Science Centre - Year 5 Monday 7 March 2022

Dear Parents,

Next term the children will be focusing on Space for their main topic. To support their learning, we have organised a trip to Winchester Science Centre and Planetarium on Monday 7th March 2022. During the day, the children will have the chance to explore the different scientific exhibitions and visit the planetarium twice to watch and participate in two workshops: Destination Space and the planets in our solar system. This is a fantastic opportunity for the children and will expand their knowledge for the whole topic.

The coach will leave school at 9.15am and return in time for the end of the day. We are asking that children wear their school uniform.

Children will need a packed lunch, including a non-fizzy drink. Should you wish HC3S to provide your child with a packed lunch, this can be ordered on the Google form. Your child's packed lunch will cost £2.50 unless you are eligible for free school meals. There will not be an opportunity to visit the shop.

The cost of this fabulous trip is £12.95 per child. We believe this experience will be very beneficial to the children's learning. To ensure that these trips can go ahead it is imperative that payment is received. The school is not in a position to subsidise pupil visits, as this impacts negatively on other areas of the school budget.

We are requesting that payment is received prior to the trip taking place and to facilitate this, we have broken the payment down into two manageable instalments.

Increment	Incremental Amount Due	Total Amount To Date	To reach us no later than
01	£6.00	£6.00	4 th February
02	£6.95	£12.95	4 th March

Please complete the form [here](#) indicating your child's participation by Friday 4th February 2022. We are unable to take your child off site without receiving your completed form. As well as medical consent and lunches, this form can also be used to indicate your interest in being a parent helper.

Yours sincerely

Mrs Clark & Mr Hooton
Year 5 Teachers
