Year 1 Drop offs and Collection

Dear Year 1 Parents,

We have been listening to your suggestions regarding drop offs and pick-ups which we know has become challenging given the recent wet weather, which in turn has made social distancing difficult.

We are now in a position with the children showing greater independence to change the drop off and pick up area which will not only allow for space but also ensure you have a hard surface to wait on.

From this afternoon, your child's teacher will bring their class out to the large playground opposite the Adventure equipment. Please stand back, allowing for space and your teacher will send your child over to you when they have seen that it is safe to do so.

In the morning, please wait, again standing back, for your child's teacher to come out onto the playground. They shall line them up and walk them round to their classrooms.

We have attached a map so you know where the drop off and pick up points are.

Many thanks for your support with this - I know for many of you this will be a welcome change.

We realise that some parents will not have read their emails this afternoon, so a member of staff will be available to let them know the new pick up point.

Warm wishes,

A handwritten signature in black ink that reads 'H. Beckett'.

Mrs Hannah Beckett
