## Year 6 Leaver's Festival!

Dear Parents,

It is that time of year again where we feel saddened about the prospect of losing our wonderful Year 6 pupils at the end of the academic year and, although we are delighted for them to be embarking on their next exciting adventure into secondary education, we always like the opportunities to give them the send-off they deserve.

Each year, we like to celebrate our Year 6's and their time with us at Nightingale, treating them to a leaver's party at the end of the summer term. This has taken shape in various forms over previous years, including discos, red carpet events, year groups BBQs, and most recently, leaver's festivals. This was an event that was extremely popular amongst our previous Year 6 leaver's, and one that we would like to recreate for our pupils this year.

Due to the strange and uncertain times that we have been experiencing of late, this will take place as an event during the school day this year, during the afternoon of Friday 23<sup>rd</sup> July. On the 23<sup>rd</sup> July, children will be able to come into school in their "festival attire", ready for their party in the afternoon. With this being an outdoor event, please could we ask that sun cream has been applied to your child and that they are bringing it into school with them to reapply in the afternoon, should they need to.

At the end of the school day on Friday 23<sup>rd</sup> July, children will be dismissed from school, at their usual time, and will hopefully leave Nightingale Primary School, not only with a repertoire of happy memories, but feeling suitably spoilt and celebrated as well.

On behalf of everyone here at Nightingale Primary, I would like to take this opportunity to thank you all for your continued support over the years, wishing you and your wonderful children a fantastic summer holiday, and a positive start to secondary school. We are all so proud of them and how far they have come over the years and have no doubt that they will continue to flourish throughout their education, and beyond. We look forward to celebrating the end of their primary education with them, in style!

Kindest regards,

Mrs Lauren Trumble  
Deputy Headteacher
