## Year 6 concerns over bringing items from home into school

Dear Year 6 Parents,

It has been brought to our attention, that a small minority of children have been bringing items into school from home and then swapping them with their friends. Unfortunately, this has led to some upset in school where staff have needed to spend valuable time resolving issues rather than focussing on learning.

Today, the Year 6s have been spoken to about this and reminded that they are not to bring items in from home, in line with our policy, unless requested by their class teachers. Please rest assured that the message to the children is that this is a small minority but serves as a reminder for all as learning time is precious.

Yours sincerely and with best wishes,

Mrs Hannah Beckett  
Headteacher
