

# Pairs

Using number cards, turn all the cards to face down. Players take it in turns to choose two cards to turn over. If the pair make the target, the player keeps the cards and has another turn. If the pair does not total make the target, they turn them back over, and it is the end of their turn.

*In this game of pairs, you will make number bonds to 10 (i.e. 6 and 4 make 10, 2 and 8 make 10).*

1	2	3	4	5
6	7	8	9	10
